

# If you know the plan, you know the target

*Ask yourself...*

- 1.. Why did Ernst Rudin, Nazi medical director, write an article for Birth Control Review?
2. Why was the masthead for the Birth Control Review “A Sure Light in Our Racial Darkness” ?  
Why was their motto: ‘To Create A Race Of Thoroughbreds’?
3. Why did Margaret Sanger say: “The most merciful thing that the large family does to one of its infant members is to kill it. “ Margaret Sanger, founder of Planned Parenthood in Women and the New Race.
4. If Planned Parenthood and it’s founder, Margaret Sanger, gave up their racist ideas early in the 30’s, why the Negro Project of 1939? why the request for Dr. Blacker to be IFPP head in 1953? why are most Planned Parenthood’s in minority commnities?
5. Why are they at so many ‘Health Fairs’ for minorities?
6. Why is PP the largest abortion provider in America?

To deny the plan, is to deny racism exists in America. To separate the founder and her plans from today, is to deny the reality of racism.
